A Visit to a Science Fair Essay in 100 Words

A Visit to a Science Fair: Short Essay for Class 1, 2, 3, 4

Our school participated in a competition in the science fair in Delhi. We got the opportunity to visit that fair and explore all of the stalls. I will share my experience here. Our school prepared a project for electricity saving. And it was nominated for the main event and we went there to present the project. There were more than 100 stalls in the fair. All of them came with their unique ideas and inventions. It is an amazing experience for science lovers who love to know more about science. The entire fair surprised me a lot and it was a huge inspiration for me.
