Sam: Yes sir, this is true. I have seen lots of unemployment around me and these are mostly due to lacking education.

Teacher: Yeah. If someone has got a proper education, it becomes so much easy for them to learn a new skill. Though anybody can learn new skills through hard work, it is so easy for you when you are educated. That's why we all need to understand the importance of education.

Sam: Yes sir. I have understood and it was a really educative conversation for me.

Teacher: Thank you so much, Sam. Take care of yourself.
