Rahul: Hi Rakesh, how are you?

Rakesh: I'm good, what about you dear?

Rahul: I'm fine too. What are you doing?

Rakesh: I'm going to [the library](#) to bring a few books to read.

Rahul: So do you read books all the time?

Rakesh: Actually it is [my hobby](#) and I enjoy [reading books](#). that's why when I get [leisure time](#), I try to spend it with reading books. I am sure you have some hobbies too.

Rahul: Yeah, I love gardening and I have a beautiful garden. I love [my garden](#) a lot.

Rakesh: Wao this is interesting. I love gardening too. But haven't started one yet. I wish to have one.

Rahul: Oh, then you can start without any hesitation. I can help you with all the information.

Rakesh: That will be great. I appreciate your words.

Rahul: You're welcome. By the way, I think everyone should have a hobby to spend quality time. So that we can use our time in a productive way.

Rakesh: Yeah, I think that too. I encourage people to do some extraordinary things in their leisure time. It helps us to learn so many things. Suppose when I read books, I learn so many new things. I get mental relief and it increases our knowledge and develops our skills.

Rahul: Yeah I think the same as you. When I work in my garden I feel so good. When I see the flower and get vegetables from there as a result of my hard work I feel so proud.

Rakesh: That's a very good thing.

Rahul: That was very nice talking to you.

Rakesh: Same with you.

Rahul: See you later, take care.

Rakesh: Bye.
