Essay on Advantages and Disadvantages of Internet in 150 Words

Description

Essay on Advantages and Disadvantages of Internet in 150 Words

Essay on Advantages and Disadvantages of Internet: Short Essay for Class 1, 2, 3, 4

The Internet is a really important thing that has connected the entire world with a special network. It has brought lots of changes to people's life. The business and education system has been changed completely. Today we will take a look at some advantages and disadvantages of the internet. The biggest impact of the internet is on education. The learning opportunity has been really easy. The Internet has a huge resource that you can find within seconds. You can share your knowledge with the entire world. And most importantly connectivity has been developed globally. That has made the business opportunity easier. On the other hand, the biggest bad side of the internet is cybercrime. Lots of people are connected here; they have sensitive information or files stored in several servers. Some evil-minded people might hack them and ask for money. Sometimes cyberbullying is also a problem. But the internet is being secured day by day. It is a blessing for us.

TIPS:
