My Aim in Life to Become a Doctor: Short Essay in 150 Words

Everyone has an aim in their life. Someone wants to become a teacher, someone wants to become an engineer or something else. I think everyone should have a specific aim. If you have got a goal, it will help you to get success in the future. You can keep yourself on the right track. My aim in life is to become a doctor. My parents are really interested to make me a doctor. I also want to become a doctor. There are a few reasons behind this aim. I lived in a village for a long time and even still I visit there often. I have seen a really bad situation there. The villagers don't get proper treatment, because there are not good doctors. I want to become a doctor to serve the poor people in the village. After graduating as a doctor, I will go to village and start serving them.
