My name is Vinod Kapoor. I am 13 years old and reading in class seven. I live in Delhi, the capital of India. We are a really small [family](#), with [my parents](#) and my elder sister. We all live together. [My sister](#) is studying medicine at the nearest medical institute.

My father is an engineer and [my mother](#) is a housewife. They both take care of us a lot. Even my mom left her job to take care of our family. I love both of them a lot. They are my best friend. My sister is also really amazing.

She loves spending time with me. She is one of my teachers too. We play video games and go for a morning walk together. It's always fun to be with didi.

### **My School:**

[My school's](#) name is Central Boys School. And I am studying in class seven there. My roll number is 11. Among lots of students, I am one of the good students. I am very regular at school. I never miss any class. I love English most because it's my favorite subject.

I always do the best result in this subject. I am one of the toppers in the class. I have a really good understanding with the teachers. They love me a lot. I am a sporty person too. I love playing [cricket](#). Even I am a member of the school cricket team.

Among the big boys, it's hard to get a chance in the main team. But I have made it, because of my patience and good batting techniques. I think I am a good opener and can play slowly for a long time. Last year, we won the inter-school championship.

### **What I Do in Leisure Time:**

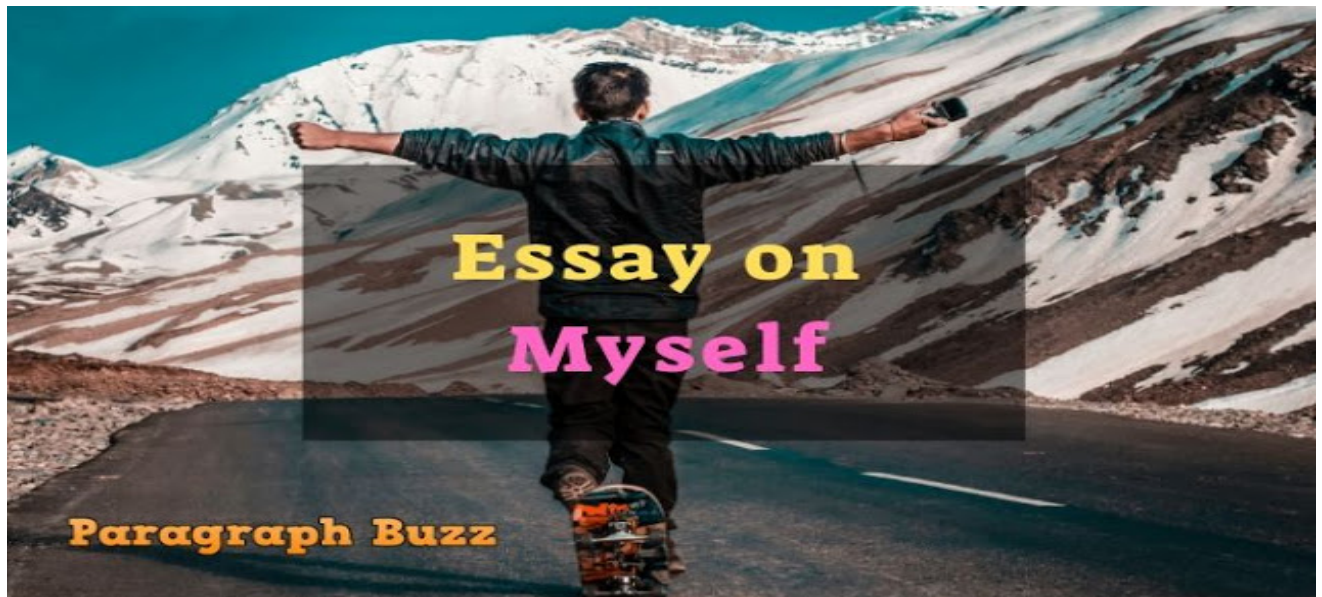

In my [leisure](#), I mostly spend time with my family. My sister and I play video games on PlayStation. She is really bad in video gaming, I always win against her. Sometimes, I go out to spend time with my friends.

[My best friend's](#) name is Suhas. He is a really good boy. We discuss school, sport, cinema and other things. I really spend good time with him. Sometimes, in my leisure time, I read books. [Book reading](#) is one of my biggest hobbies.

### **Conclusion:**

This is all about me. I am a loving and caring boy. I am very friendly, I love making new friends and hang out with them. I am a little bit shy at first, but when I become a good buddy, you can see my sense of humor.

## **Essay about Myself (500 Words) for Class 8, 9**

Essay on Myself in 500 Words

### Introduction:

My name is Sagar Mehta and I am 15 years old. I read in class nine. My school name is 'City Public Boys School'. It's one of the best schools in Mumbai. I live in Mumbai city, and it's one of the biggest cities in [India](#). I am a really good student and love reading books a lot. According to school results, I always become one of the toppers in the class. My parent, teachers, relative everyone is really happy about me.

**My Family and Friends:** In my family, we are six members. I have an elder sister and a younger brother. My grandma lives with us. She is an amazing personality. My father is a businessman and my mom is a housewife. They both really work hard to make this family a better place for all of us.

My grandma is the eldest member of the family. She is 74 years old and she still can move and walk around. She was a really good cook in her time. The most interesting thing about [my grandmother](#) is, she can tell lots of amazing stories.

In last winter vacation, all of my cousins came to our house and grandma shared lots of interesting stories. We all cousins are a fan of her stories. As I said, my father is a businessman. He is always busy, because of his business works.

But after doing all the works, he loves spending time with the family. He is the person who is working most and keeping our family alive. My mother is a housewife, but she is a highly educated woman. She worked as a school teacher but left the job because of taking care of us.

My mom has done so many sacrifices in her life to give us a better life. Only mothers can do such sacrifices. I love her a lot. She takes a lot of care of all us. Out of my family, I have a big friend group. I love hangout with them. Salim is my best friend.

He lives near our apartment. We meet every day at school and also meet after school in the afternoon. We play together. Sometimes, some of the other friends join us and we spend a really good time.

### **My Hobby – Book Reading:**

I have so many hobbies, but book reading is the best one. I always was a book lover. My elder sister is also a book lover and that's why we have got a small family library. Our parents always encourage us to read more and more books.

In my leisure time, my mom also read books. My father is not a member of our reading club. But he spends lots of money to buy these books. We buy a book every year and make the library bigger. My younger brother is also showing his interest in book reading.

My favorite book is Robinson Crusoe by Daniel Defoe. This book is really thrilling and full of suspense. When I got the book for the first time, I was really happy. The reason is I read lots of reviews about this book.

### **Conclusion:**

That's all about me. I am a really fun loving boy and I love spending time with my friends.

## **Essay on Myself (600 Words) for Class 10, 11, 12**

Essay on Myself in 600 Words

### **Introduction:**

My name is Ahmad and I am from Karachi. My school name is 'Karachi Public Boys School'. I read in class 10 and I am 17 years old. Today I will tell you about myself. I will tell you what I like to do and what I do. I have lots of friends and I love all of them. I will tell you about them too.

## **My Family:**

First of all, I love to share about my family. I am the only kid in the family. And I live with my parents and grandfather. My grandpa is my best friend. My mother is a housewife and my father is a computer engineer. He is working on some government projects.

He is a very popular and famous person in our area. My mother is highly educated, but she refused to work outside, because of taking care of me. From my childhood, I am the best friend of my mom. My mom finds all of her happiness into me.

She is really hardworking. She wakes up early in the morning and helps our maid to cook food. Even I love eating [my mother](#) cooked food. That's why most of the time, she cooks for me. After all, a day working, my dad comes back home afternoon, and then he spends all of his time with us, the family.

He is a very fun-loving person. My father never gets angry or never get mad at someone. He is really well behaved and people love him a lot because of this. He helps poor people a lot. He is a social worker too. My grandfather is the most senior person in our [family](#).

He is a really smart and talented person. At this age, he still can walk and run. He takes me to the [morning walk](#) regularly. He shares lots of interesting stories. I am learning about history and English from him. He is a really [good teacher](#). My grandpa is a religious person. Most of his time, he prays to Allah.

## **What Sport I Like Most?**

My favorite sport is [Football](#) because I can play that game really well. In my school team, I am the captain for the last two years. When I was in class seven, I go first-ever chance to play for the school football team. And then, I never get out from there.

I am still playing and going well with my good performance. Last year, I scored two goals and led my team to win the inter-school championship. We rescue the trophy after six years. The whole was really happy with me. I got lots of invitations from school authority and local peoples.

Not only playing, but I also love watching football too. My favorite football team is 'Barcelona' and my favorite footballer is Lionel Messi. I think he is the greatest of all time.

## **My School and Friends:**

In my school, I have lots of friends. I love spending time with them. I am a very friendly person. But in the first meet, you may find me shy and introverted. But if you become a buddy, I will be really open with you. Most of my friends are really amazing in study and sports. They like me and I like them too. My school is a popular school and it is doing amazing according to yearly results.

## **Gardening is My Hobby:**

Gardening is [my hobby](#) and I have got a garden in front of my home. A cousin helped me a lot to make this. I was inspired to see his garden in his roof. And I thought, I have enough space in front of my house, why should not I start? I did and it became a love for me. Now I spend lots of time regularly

there.

### **Conclusion:**

I love to share about myself. That's all about me. Thanks for reading.
