

## Folk Music Paragraph for School Students

### Description

[Folk Music](#) is a really important part of our history. We need to keep this culture alive, to keep our tradition alive. Here are a few folk music paragraphs that you might love. Please do share if you love and you can use these paragraphs for your academic importance.

### Folk Music: Short Paragraph (100 Words)

Music is important for the soul. There are so many kinds of music. Folk music is a really popular music genre that all age people love to listen to. In the beginning, folk music was mainly based on local music. But now it has been widely popular and diverse. There are so many types of folk music available.

Personally, I am a music lover and I love hearing folk music. When I started to listen to songs, I was in love with 'Bengali Folk Songs'. There is a huge collection of these songs these are related to our tradition.

### Folk Music: Paragraph (150 Words)

Folk music is mainly based on a specific community, country or team. There are several types of folk music. Baul songs are really interesting and one of the top folk music genre in Bangladesh. People of Bangladesh and India loves Baul songs. There were lots of songs writer, who has written and gave music to enormous songs that we listen often.

Lalon Shah is one of the most popular Baul song creators in the history of Bangladesh and India. People are learning and doing research about his work. Lalon was a secular person and he has said these in his songs. His followers have made a totally different religion, which is pretty much different than Islam and Hinduism.

Not only Baul songs, but they're also are Bhatiyali and Bhawaiya songs these are really popular. Bhatiyali is actually songs from the boatmen, who drive a boat and sing-song. These songs are really

interesting.

## Folk Music: Paragraph (200 Words)

Folk music is a really interesting music genre for me. I love to hear that type of music. Folk music indicates specific types of music that related to a religion, a community, or a team. There are religious and secular both types of folk music available. Folk music is loved by countryside people mainly.

But now because of good communication and video making, people are loving folk music. Youngsters are presenting old folk songs with a new view and shape. It is making them more interesting and adding attraction. There are lots of singers, who have made Bengali and Indian folk songs are popular.

I want to mention some of them, Lalon Shah, Hasan Raza, Shah Abdul Karim, Abdul Halim, Abbas Uddin, etc are the most popular singers of our history. They have taken folk music on another level. People were started loving that music genre because of them.

They have created thousands of songs which are evergreen and people still now listen to them with full love and affection. Folk music is related and connected with our tradition. We need to save this culture and be aware so that it doesn't get lost.
