Long Dialogue between Two Friends about Study

Sneha and Sabila are two friends and they are talking about their current study situation. Here is a long conversation between the two of them. This conversation will help you to understand and learn English better.

Sneha: Hi Sabila, how's going your time?

Sabila: Going good, what about you?

Sneha: It's fine. What about your study?

Sabila: It's not that good. I am having some problems with [Math](#).

Sneha: Sorry to know. But why don't you take help from the Math teacher?

Sabila: I am going to ask him for some help. But I am too much worried about this. You know the exam is knocking at the door and I am not prepared at all for this subject.

Sneha: You still have lots of time to clear your doubts. I think you can do that; you are a very good student.

Sabila: Thanks, dear. I am hoping so.

Sneha: What's about English?

Sabila: I am pretty much preparing for English and I think I will do well in this subject.

Sneha: That's very good.

Sabila: What about you? How's your study going?

Sneha: Yeah it's going good. I am giving some extra time for [science](#). You know I am pretty weak in this subject.

Sabila: Oh, I hope you will do great in this subject too. How many hours do you study in a day?

Sneha: After the classes and tuitions, I spend almost three hours a day in [my reading room](#). You know, I have to spend most of my time intuition.

Sabila: Oh I see. I spend around four hours in study and I don't go for any tuition. Do you think I need to read more?

Sneha: I think that's enough if you are paying proper attention to your lesson.

Sabila: Yeah, I think so. Do you have any suggestions or tips for getting a better focus on the study?

Sneha: I love to study in the early morning. If you can [rise early](#), then you can do that too. I think that's the best time for focusing on something.

Sabila: That's a very good suggestion. I will try that. Thank you so much for your tips.

Sneha: You are welcome. See you.
