### Description

Life is boring with work and that's why people need to have a hobby which will make him relaxed. Your hobby could be a way to keep yourself entertained. Here are the top short and long paragraphs on my hobby. I hope these paragraphs will assist you in your study.

### My Hobby – Paragraph: 1 (100 Words)

[My hobby](#) is drawing, I love to draw. When I was a kid, I loved playing with color pencils and oil pastels. Now I am a high school student and I am still trying to draw better. I hope that I will be an artist in the future. [My parents](#) are really supportive and they always inspire me to draw.

[My father](#) buys me drawing pencils and paper. In my free time, I don't watch TV, I draw. I think that helps me to become creative. Drawing is my passion. The most beautiful scene for me is the sunset on the beach.

### Your Favorite Hobby: Cooking – Paragraph: 2 (150 Words)

Everyone has a hobby and so do I. [My hobby](#) is cooking. I love to cook. At first, I used to help my mom in her cooking. But later I found that I really enjoy cooking. I asked my mom to teach me that, and she was really happy about this.

Then she teaches me and I learned pretty much everything about cooking.

I don't get enough time to cook but I try my best. Everyone says that my cooked food is really delicious and I think so also. I wish to become a popular cooking teacher in the future. People should learn so many cooking techniques that I know now.

I watch YouTube videos regularly which helps me to gain so much knowledge on different types of cooking. Once I cook for my cousin who came from America and he was amazed after eating that food. That day was really inspiring for me, everybody praised my dish and then I never looked back and never give up.

## **My Favorite Hobby: Book Reading – Paragraph: 3 (200 Words)**

My hobby is book reading. I started [reading a book](#) from the first grade when my father took me into a [book fair](#) and I bought a few cartoon books. I never looked back then. That's the only thing that makes me happy. I can forget everything in this world when I am with a good book.

I used to read stories and fiction in my primary school days. But now I am pretty much grown up and I love reading books related to [science](#) and history. [Bangladesh](#) has an amazing history regarding the 1971 liberation war. I have read more than 10 books on that particular topic. I don't read only Bengali books.

There are so many English books that I have read. [My favorite book](#) is 'Science fiction by Muhammad Jafar Iqbal'. I think he is the best writer in this country for the kids. Humayun Ahmed also has few awesome books but most of his books are for grown peoples.

I want to keep continue my hobby. I think book reading is the best hobby ever. Book seems like a friend. It will never feel you alone. I can spend my leisure time without wasting it. People can gain so much knowledge by reading good books. Everyone should read books.

## **My Hobby: Gardening – Paragraph: 3 (250 Words)**

People have several types of hobbies and I have a pretty much different hobby in me. My hobby is gardening. A few years ago, I visited Delhi in a cousin's house and found he has made his own garden in the roof. I thought that was a good idea. I used to love spending time in her [garden](#).

There were several types of flowers and a few vegetables too. I am living in a small city and we have enough land in front of our house where I can do a garden easily. When I came back to Bangladesh from Delhi, I started working on my own garden. My parents were really supportive.

I learned so many things from my cousin. She knows pretty much everything about gardening. When I face any problem, I call her and she makes a solution or provides me a video link where I can find the solution. Right now in my garden, there are 20 types of flowers and other trees.

I was to increase [my garden](#) day by day because we have enough land here. Gardening is not hard at all. People think that you have to work hard in the sun. Not at all, you can do all of your work in the afternoon. I do that. But taking care of your garden is really important, otherwise, it won't work.

I have witnessed so many failures in my garden at the beginning. But now I am doing well. If we all do gardening that can help us to save from [Environment Pollution](#) and Green House Effect. Everyone should do gardening and make this world green.
