My Mother: Essay (500 Words) for Class 8

Essay on My Mother – 500 Words

Introduction: Every mother loves her child more than anything in the world. We all have mothers and we should love and respect our mothers. Today I am going to share lots of things about my mother. A mother raises her kid with her best effort financially, physically and emotionally.

Sometimes they do extra work to make our life better, but they never feel bad for this. Mothers are selfless and non-complaint, they never complain about their life. It's the most important thing about a mother. They know how to take responsibilities and fulfill them. Mother is the person; because of her, we are seeing this world. We shouldn't ever let them down. We should love and respect them.

Bonding of Mother and Child: Bonding between a mother and a child is really amazing. Mothers are the most important thing for every child and kids are the first priority for mothers. This relation is the purest relation in the world.

The mother does everything for her kids without any expectations. They just want a better life for her kids. So bonding between mother and child is strong and any force can't break this bonding.

My Mother: My mother's name is Ruksana Ahmed, and she is a housewife. She is forty years old. She plays the most important role in our [family](#). Her day starts very early in the morning; she wakes up and cooks food for all of us. Then she cleans the entire house and takes us to school.

After coming back from school, cook food again, and feed us. I think she is the best cook ever. She makes really delicious food. My mother is my biggest supporter. Whatever I do, she inspires and stands behind me as a guide. In my last science project, she helped me most and I came first in the competition. When I get succeed anything, she is the happiest person in that time.

How Much She Loves Me: There is no limitation or I can't measure the love of her for me. I know she loves me most and I also love her really too much. Home is called 'HOME' because of her only. She is my best friend and guide. She teaches me how to survive in the world.

She is the one who never gets tired loving us more and more. Love of a mother is different, unique and it's not possible to replace by any other person. We won't find any love in the entire world that can be compared with the love of a mother.

Mother as a Guide: She has a crucial role in my life as a guide. Whatever I do, she guides me on the right path. Sometimes, we make mistakes and they show us the right thing as guardian. She is the one who brings us on light and removes all darkness from life.

Conclusion I love my mom so much. I think she is the best person in the world. She is my life; I wish her a long life with us. People who don't have someone to call 'mother', they understand the value and importance of a mother. So we just need to appreciate her presence in our life.
