We have come to this world because of our parents, they gave us birth. They are the most important and close people for us in this world. Both father and mother have lots of sacrifices and hard work behind this position. I will tell you about my parents here. [My parents](#) are really nice people.

They love me a lot. My mother name is Sunita Mehta and she is forty years old. She is a well-educated woman and working as a professor at the nearest college. She used to be busy with her work. [My father](#) is a businessman. Both of them love to spend their time with me after work. I love them a lot.

Essay on My Parents for Class 4, 5 (200 Words)

Essay on My Parents in 200 Words

Introduction: Parents are the most important person for us in this world. We need to respect and love our parents. We have none except them. They love us a lot. Most of the time they don't express their love directly for the kids, but we can realize that easily. Especially fathers are like hard and never express love openly. But we have to realize that they love us a lot. We need to love and respect them too. Today I am going to share about my parents.

My Parents: My father name is Sunil Sharma and he is forty-five years old. He is working as an engineer for the local government. He is pretty successful in his career. I wish to be an engineer like him, that's my aim in life. My father is an ideal person. I follow his lifestyle and want to be like him.

He loves me a lot and loves to spend time with me. When he gets the free time he spends this time with the family. My mother name is Sneha Sharma, she is forty years old and she is a housewife. My mother is a hardworking woman and she is really polite and well behaved.

Conclusion: They love me a lot and I love them too. They are the most important part of my life. I can't think even a single day without them.

Essay on My Parents for Class 6, 7 (300 Words)

Essay on My Parents in 300 Words

Introduction: [My parents](#) are my world. Everyone has parents and they should respect and love their parents. Today I will share something about my parents. They are really special to me. They mean a lot to my life. I can't deny their contribution whatever they have done for me and my life.

My Father: My father name is Arun Roy and he is a teacher in a local high school. He is forty-five years old. In this age, he is really strong and healthy. The most important thing behind this good health is a regular workout. He goes to the gym and does a proper workout.

Most of the time he wakes me up early in the morning and takes me to a morning walk. I really enjoy this. I wish to become like my father. He is an ideal person and everyone loves him. He is very helpful and because of this nature people come and ask for different types of help. He never refuses anyone.

My Mother: [My mother](#) name is Susmita Roy; she is forty years old housewife. I think my mom is the most important member of our family. We couldn't even think a day without her. She wakes up early in the morning and starts working in the kitchen. She washes clothes, cleans the whole home, cooks food for us.

She is like a superwoman. I can't even imagine doing so many works like her. She is really impressive. After doing so many works, she never complains. She is always happy. Especially when she finds me happy, she is the happiest.

Conclusion: Both of my father and mother are really important to me. I can't even think a day except them. I wish them to live longer.

Essay on My Parents for Class 8 (400 Words)

Essay on My Parents in 400 Words

Introduction: Parents are the most important part of our life. We can't imagine anyone else is too much rather than our parents. They are the closest human for us. They sacrifice so many things to make us happy. They don't enjoy their life too much. They always focus on how kids become happy and do everything for this. We should love our parents and respect them because it's really important to love them.

My Parents: My father name is Aditya Roy, and he is forty-five years old. But my father looks so much younger. He is very aware of his health. He goes to the gym regularly. I am also learning so much health things from him. He is a businessman and spends most of his time in his office, but after all, he loves to spend time with me and my mother. My mother name is Koli Roy, she is forty years old.

My mom is a housewife. She does lots of family works. She was working for a school as an assistant teacher. But she left the job to maintain the family better. That's mean she sacrifice her career because of the family. She is the most interesting and beautiful woman I have ever seen.

Their Hobbies: As like others [my parents](#) also have some unique hobbies, [my hobby](#) is always reading books and playing video games. My father's biggest hobby is bodybuilding. Except for doing this, he loves reading books. In this leisure time, he starts reading books. We have got a small family library. I am also a book lover. And that's why he buys books every month. My father leads me to become a book lover.

He always inspired me to read more and more. My mother has something different interest, it's gardening. As a result, we have got a [garden](#) in front of our home. It looks really beautiful. I love working in the garden. When my mom works there, I help her a lot. I love the flowers and she is seeding some vegetables too.

Conclusion: Both parents are really helpful and nice people. They behave with each other really well. I have never seen them quarrelling. Even they help the other peoples too. They have got a really good relationship with [neighbours](#) and our relatives too.

My Parents Essay for Class 9, 10 (500 Words)

Essay on My Parents in 500 Words

Introduction: We have come to this world, because of our parents. We need to be pleased with the entire life, because of this reason. Mother has tolerated so much pain to give us birth. Today I am

going to share everything about my father and mother. They are a really awesome and amazing person. I can't think of my life without them. They have brought light into my life. They are like a guide who is guiding me into the light.

My Mother: My mother name is Rokeya Begum. She is a housewife. My mother is an educated woman. She was working as a primary school teacher. But she left the job for taking care of us. This is a very big sacrifice for the family. She is forty years old, but she looks much younger. [My mother](#) is aware of her health, he wakes up early in the morning and goes for a little walk. And then she starts working.

I have seen that she works almost all the time in a day. We all have rest, but she doesn't. Sometimes my sister helps her in the kitchen, but she does the main works. She is a very kind and loving woman. She loves poor people and helps them a lot. She is very good with the neighbours. She was keeping a great relationship with our relative.

My Father: My father name is Jahid Ahmed. He is a businessman. We have two shops in the main market. He used to spend his time there. [My father](#) is always busy. But after all of his work when he gets time, we love to spend that time with us. Most of the time he takes us to a small picnic. I love the family picnic a lot. I really enjoy these.

My father is a friend to me. His behaviour is really good. Not only me, but he also behaves well with everyone. He is very popular in the society because of his helping mentality. Lots of people ask for help and he never refuses anyone. That's why everyone loves him.

Why My Mother is the Best Mother? Yeah, I consider my mother as the best mother in the world. She is the best. There are so many reasons behind that. First of all, I think she has sacrificed her happiness because of us. She works a whole like a robot, but she never complains. We always try our best to help her.

My father wanted to keep a maid, but my mother is not agreeing to waste money. She is my teacher and guide. When I face any problem she helps me and solves the problem. She is a really highly educated woman. She understands the value of education, and that's why she is trying her best to make us educated.

Conclusion: I love my parents very much. They are the best parents ever. I want my parents to live a long whole life. They also love me a lot.
