## Paragraph on Duties of a Good Citizen in 200 Words

When a person lives in a country or state for a long time, he is considered a citizen of that country. When a person born in a country, he gets citizenship automatically by birth. But when an outsider comes here and lives, he needs to go through some procedure and make an application for citizenship. A citizen has some duties. To become a good citizen he should follow these duties.

The country provides lots of facilities and privileges to the citizen for following these duties. First of all, you need to have immense love for your motherland. You can't think anything harmful to your country. That's a moral thing. A good citizen is a true patriot. He loves his country by heart. They always stand front in the danger of motherland. They think to improve the country.

So you have to follow these to become a good citizen. There are a lot more things to do. You need to pay the tax in time that the state is asking for. As living in a free and independent country, we are enjoying lots of free services by the country. So we need to repay this by doing all the duties. A country needs lots of good citizens to progress.
