Romantic Propose Day Messages for Girlfriend

Lots of people often ask me what should be the most important material while you are writing something to your girlfriend. I have a very short answer to that and it is 'Romance'. You need to have lots of romance in your words. That's why here are Romantic Propose Day Messages for Girlfriend. Enjoy...

- 1.** I have been to lots of places in my life and met lots of peoples. But I have never met someone that much interesting, dashing, caring, loving and attractive as you. I want to ask you on this propose day, will you be mine?
- 2.** As you know, in this world nothing can separate us. I think we have eternal love and connection between us and that's the most strong thing is a relationship. I want to approach you as I did three years ago on a beautiful beach. Will you be with me, forever?
- 3.** Spending this valentine's week without you is the hardest thing in my life. I want to tell you something in this propose day. I want to propose to you again and let you know I want to be with you forever, for every moment in life. Will you keep holding my hand till the death?
- 4.** Today on this romantic day, I want to hug you and keep you on my arms. I want to tell you how much I love you. Happy Propose Day, baby.
- 5.** Of course, it was love at first sight when I saw you. I always feel so grateful and lucky to have someone like you in my life. Will you be a life partner and spend the rest of your life with me? I am wishing a happy propose day.
