Short Paragraph on My Favorite Cricketer Virat Kohli for All Students

Virat Kohli is my favorite cricketer. There are so many reasons behind it. First of all, I support and love him a lot like an [Indian](#). I always love to watch his game and wish good luck to him. I am following and watching his game from the very beginning of his career.

He is so talented and amazing from the start. I saw him on the U-19 team for the first time. He scored a century and I was impressed with that innings. And then I became a fan that I still support him a lot. When he plays good for the team India, I feel so proud and that's an amazing moment for me.

A match that I will never forget was against [Pakistan](#) and Virat scored 183 runs and led the team to win as a leader. Right now he is serving as the captain of Team India. He is performing very well as a captain. I think he is going to be the most successful captain of our history. He has been the richest cricketer in [cricket](#) history.

I support his team Royal Challengers Bangalore in IPL only because of his presence. I wish good luck so that he can win the IPL soon.
