Short Paragraph on Dignity of Labour for All Students

Description

To live in the world we all have to do something. We all have to work. But there are lots of under-privileged working people who don't get proper dignity for their labor. We need to ensure that every worker in the country gets all their basic needs and proper dignity.

Nothing is possible to do in the world without lots of labor. All the facilities that we are enjoying these things have been possible for their hard work. But still, lots of them don't get proper facilities to spend a proper life. We all have to understand the dignity of and have to respect them from a deep heart.

We have to understand that the entire society is unable to run without their contribution. They work with honesty and dedication and they work to make society a better place to live. We need to respect them and help them to make the world a better place.
