Funny incidents happen in our life very often. But some incidents are very special that we can't forget at all. I have a few funny incidents that I can remember and I laugh every time when I remind them. One of the funniest incidents that I am going to share here happened with me when I was a [student](#) of class three.

We were visiting Kolkata for spending the [summer vacation](#) with [my grandmother](#). She was living there with an uncle. When the train reached Kolkata, we came down and started walking. I was holding [my mother's](#) hand. But accidentally I picked another woman's hand. She was walking with us.

She had a boy with the same age as me. After a couple of minutes of walking, I saw my mom was walking in a different way and I am walking with another woman. I was puzzled and forgot what to say or do. I looked at her face. She looked back and she was also puzzled. I called my mom loudly.

My mom came and the confusion was over there. They both laughed and I laughed a lot. I still can remember this incident and I still laugh a lot. My mother sometimes reminds me of this incident.
