Description

Short Paragraph on a Railway Station for All Class Students

A [railway station](#) is a place where people go to arrive with a train. The [train journey](#) is safer than other types of journeys. And that's why the railway station is a very important place for everyone. If you want to travel anywhere by train, you have to go to the station. These stations are so crowd and busy place.

Several types of people are roaming there for their own needs. You will find street hawker and they are trying to sell their products to the train passengers. Lots of peoples are waiting on different platforms for their train. Pickpocketing is a very common scene in [our country's](#) stations.

There is a ticket counter for buying tickets. In the big stations, there is more than one booth for different destinations but in the small stations, you will see only one ticket booth. A station master is the head of a station and he controls everything there. There are lots of loudspeakers that announce the time and destination for different trains.

[Street beggars](#) are also seen in the station. The overall railway station is a very busy place where people of every profession go for their needs. I have been there a couple of times and that was a very unique experience for me. I enjoyed that a lot.
