I was agreed and left me on a train journey and arrived in Agra. Agra is one of the most beautiful cities in India. And we all know that it's popular because of the [Taj Mahal](#). Yes, I am going to share my experience of visiting the Taj Mahal. Taj Mahal has a really brief history. It the time of Mughal Emperors, Shah Jahan built it to express his love for his wife Mumtaz Mahal. Then it has been named as 'Taj Mahal'. My intention behind going to Agra was the Taj.

It's one of the biggest rivers in the subcontinent. It is said that more than 20000 workers worked for 20 years to build this building. So you can imagine how big it is. I was surprised to see the artistic design in the wall and doors. It's pretty much impossible to do in this time. This Taj is one of the best examples of Mughal architecture.

**Things to See There:** There are so many things to see in the Taj. I suggest everyone be there in the afternoon. In the time of sunset, the whole scenario is unbelievable beautiful.
